Short Form Assignment by Developer:

This agreement is used to record the transfer of a copyright by the developer in the Copyright Office. The assignee, generally the client, must include either the registration number or title of the copyrightable work to have “constructive notice” of the transfer (see “Obtaining a License” Chapter 12). This short form assignment can also be used to record an assignment of less than all rights in the work (for example, an assignment of audio visual rights or motion picture rights).

The developer, (“Developer”) for good and valuable consideration, the receipt of which is acknowledged, grants to Client Company (“Client”), its successors and assigns all right, title and interest in the copyrightable work named (“_____”) owned by Developer. Developer authorizes the recordation of this notice with the Copyright Office. The [registration number/name] of the Work is .
